5.3.2 Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

New Arts Commerce and Science College, Wardha has a nominated student council consisting of students. The role of the students council and representation of students on academic and administrative bodies are much more crucial and significant at the college level as it is highlighted and mentioned below:

1. The college constitutes a separate students council which forms a bridge between the academic and the administration. It helps in promoting a healthy atmosphere of cooperation in the college.
2. The council organizes various socio-cultural activities for the students such as singing competitions, observing friendship day, teachers day, sports activities like football, cricket, chess, etc. The college has provision for funds for the programs to be organized by the council. The councils are governed by regulations of RTM Nagpur University, Nagpur.
3. The whole process is transparent without any involvement of any kind of funding agency. The function of the council is to maintain the overall discipline on the campus work as a facilitator between the student and the college and coordinate all the extracurricular activities and annual departmental festivals of the college.
4. The college provides students with opportunities to participate in various academic and administrative bodies at college. Students seize the opportunities for involvement and contribution to the academic life of the college.
5. Students are given representation in the committees like NSS, Annual Gathering Committee, College Magazine Committee, Cultural Activities, Internal Assurance, and Quality Cell, Students, Redressal Committee, Library Committee and Research Committee, Sexual harassment committee, Anti-ragging Committee, etc.
